

## WHY AVVANZ ?

- Do you know who you hire?
- Did you know that out of every 10 resumes, at least 3 pose some form of discrepancies like fake credentials, inflated employment experiences, undeclared offenses, or disturbing social media footprint?
- Are you aware of risks associated in working with wrongful partners (clients, channel partners, vendors, contractors, investment targets)?
- Do you know that employees not onboarded properly and not continuously upskilled with the right skills and competencies to thrive in this Digital Economy can be counterproductive to your organization?
